Re: Willow Springs Park City Council Meeting September 14, 2021 item no. 20 CD#7

Dear Tom and Council Districts 6 & 7,

This letter is in regards to the dedication of Willow Springs Park as a City park. The Association saw your email response on September 17, 2021 to our board member, Lynette Ferecny, explaining the process to dedicate the park, and that there is a small piece of property in the upper left corner of the site that is in question. The Wrigley Association would like to be kept informed of any progress on this action and on when the item will be going back to City Council. The Association fully supports the dedication of Willow Springs Park as there is an extreme shortage of park space on the Westside and especially in Council District 6. Thank you for the follow-up email, and please keep the Association posted on all future Planning Commission and/or City Council dates for this item. If you need any assistance or have any questions for the Association, please feel free to contact us anytime.

Sincerely,

Wrigley Association
